

Emerald Spire 2- The Cellars Spells

Moon Spider Spells

Gaseous Form (1/day)

School transmutation; **Level** bard 3, sorcerer/wizard 3

Casting Time 1 standard action

Components S, M/DF (a bit of gauze and a wisp of smoke)

Range touch

Target willing corporeal creature touched

Duration 2 min./level (D)

Saving Throw none; **Spell Resistance** no

The subject and all its gear become insubstantial, misty, and translucent. Its material armor (including natural armor) becomes worthless, though its size, Dexterity, deflection bonuses, and armor bonuses from force effects still apply. The subject gains DR 10/ magic and becomes immune to poison, sneak attacks, and critical hits. It can't attack or cast spells with verbal, somatic, material, or focus components while in gaseous form. This does not rule out the use of certain spells that the subject may have prepared using the feats Silent Spell, Still Spell, and Eschew Materials. The subject also loses supernatural abilities while in gaseous form. If it has a touch spell ready to use, that spell is discharged harmlessly when the *gaseous form* spell takes effect.

A gaseous creature can't run, but it can fly at a speed of 10 feet and automatically succeeds on all Fly skill checks. It can pass through small holes or narrow openings, even mere cracks, with all it was wearing or holding in its hands, as long as the spell persists. The

creature is subject to the effects of wind, and it can't enter water or other liquid. It also can't manipulate objects or activate items, even those carried along with its gaseous form.

Continuously active items remain active, though in some cases their effects may be moot.

Obscuring Mist (3/day)

School conjuration (creation); **Level** cleric 1, druid 1, sorcerer/wizard 1

Casting Time 1 standard action

Components V, S

Range 20 ft.

Effect cloud spreads in 20-ft. radius from you, 20 ft. high

Duration 1 min./level (D)

Saving Throw none; **Spell Resistance** no

A misty vapor arises around you. It is stationary. The vapor obscures all sight, including darkvision, beyond 5 feet. A creature 5 feet away has concealment (attacks have a 20% miss chance). Creatures farther away have total concealment (50% miss chance, and the attacker cannot use sight to locate the target).

A moderate wind (11+ mph), such as from a *gust of wind* spell, disperses the fog in 4 rounds. A strong wind (21+ mph) disperses the fog in 1 round. A *fireball*, *flame strike*, or similar spell burns away the fog in the explosive or fiery spell's area. A *wall of fire* burns away the fog in the area into which it deals damage.

This spell does not function underwater.

Chill Touch (Trap)

School necromancy; **Level** sorcerer/wizard 1

Casting Time 1 standard action

Components V, S

Range touch

Targets creature or creatures touched (up to one/level)

Duration instantaneous

Saving Throw Fortitude partial or Will negates; see text; **Spell Resistance** yes

A touch from your hand, which glows with blue energy, disrupts the life force of living

creatures. Each touch channels negative energy that deals 1d6 points of damage. The touched creature also takes 1 point of Strength damage unless it makes a successful Fortitude saving throw. You can use this melee touch attack up to one time per level.

An undead creature you touch takes no damage of either sort, but it must make a successful Will saving throw or flee as if panicked for 1d4 rounds + 1 round per caster level.

Gorloth (Bone Priest) Spells

Death Knell

School necromancy [death, evil]; **Level** cleric 2

Casting Time 1 standard action

Components V, S

Range touch

Target living creature touched

Duration instantaneous/10 minutes per HD of subject; see text

Saving Throw Will negates; **Spell Resistance** yes

You draw forth the ebbing life force of a creature and use it to fuel your own power. Upon

casting this spell, you touch a living creature that has –1 or fewer hit points. If the subject fails its saving throw, it dies, and you gain 1d8 temporary hit points and a +2 enhancement bonus to Strength. Additionally, your effective caster level goes up by +1, improving spell effects dependent on caster level. This increase in effective caster level does not grant you access to more spells. These effects last for 10 minutes per HD of the subject creature.

Cause Fear (DC 14)

School necromancy [fear, mind-affecting]; **Level** bard 1, cleric 1, sorcerer/wizard 1

Casting Time 1 standard action

Components V, S

Range close (25 ft. + 5 ft./2 levels)

Target one living creature with 5 or fewer HD

Duration 1d4 rounds or 1 round; see text

Saving Throw Will partial; **Spell Resistance** yes

The affected creature becomes frightened. If the subject succeeds on a Will save, it is shaken for 1 round. Creatures with 6 or more HD are immune to this effect. *Cause fear* counters and dispels *remove fear*.

Drop: On its turn, the subject drops whatever it is holding. It can't pick up any dropped item until its next turn.

Fall: On its turn, the subject falls to the ground and remains prone for 1 round. It may act normally while prone but takes any appropriate penalties.

Flee: On its turn, the subject moves away from you as quickly as possible for 1 round. It may do nothing but move during its turn, and it provokes attacks of opportunity for this movement as normal.

Halt: The subject stands in place for 1 round. It may not take any actions but is not considered helpless.

If the subject can't carry out your command on its next turn, the spell automatically fails.

Command (DC 14)

School enchantment (compulsion) [language-dependent, mind-affecting]; **Level** cleric 1

Casting Time 1 standard action

Components V

Range close (25 ft. + 5 ft./2 levels)

Target one living creature

Duration 1 round

Saving Throw Will negates; **Spell Resistance** yes

You give the subject a single command, which it obeys to the best of its ability at its earliest opportunity. You may select from the following options.

Approach: On its turn, the subject moves toward you as quickly and directly as possible for 1 round. The creature may do nothing but move during its turn, and it provokes attacks of opportunity for this movement as normal.

Confusion, Lesser (DC 14)

School enchantment (compulsion) [mind-affecting]; **Level** bard 1

Casting Time 1 standard action

Components V, S, DF

Range close (25 ft. + 5 ft./2 levels)

Target one living creature

Duration 1 round

Saving Throw Will negates; **Spell Resistance** yes

This spell causes a single creature to become confused for 1 round.

Confusion

School enchantment (compulsion) [mind-affecting]; **Level** bard 3, sorcerer/wizard 4

Casting Time 1 standard action

Components V, S, M/DF (three nutshells)

Range medium (100 ft. + 10 ft./level)

Targets all creatures in a 15-ft.-radius burst

Duration 1 round/level

Saving Throw Will negates; **Spell Resistance** yes

This spell causes confusion in the targets, making them unable to determine their actions. Roll on the following table at the start of each subject's turn each round to see what it does in that round.

d% Behavior

01–25 Act normally

26–50 Do nothing but babble incoherently

51–75 Deal 1d8 points of damage + Str modifier to self with item in hand

76–100 Attack nearest creature (for this purpose, a familiar counts as part of the subject's self)

A confused character who can't carry out the indicated action does nothing but babble incoherently. Attackers are not at any special advantage when attacking a confused character. Any confused character who is attacked automatically attacks its attackers on its next turn, as long as it is still confused when its turn comes. Note that a confused character will not make attacks of opportunity against any creature that it is not already devoted to attacking (either because of its most recent action or because it has just been attacked).

Detect Magic

Guidance

School divination; **Level** cleric 0, druid 0

Casting Time 1 standard action

Components V, S

Range touch

Target creature touched

Duration 1 minute or until discharged

Saving Throw Will negates (harmless); **Spell**

Resistance yes

This spell imbues the subject with a touch of divine guidance. The creature gets a +1 competence bonus on a single attack roll, saving throw, or skill check. It must choose to use the bonus before making the roll to which it applies.

Hold Person (DC 15)

School enchantment (compulsion) [mind-affecting]; **Level** bard 2, cleric 2, sorcerer/wizard 3

Casting Time 1 standard action

Components V, S, F/DF (a small, straight piece of iron)

Range medium (100 ft. + 10 ft./level)

Target one humanoid creature

Duration 1 round/level (D); see text

Saving Throw Will negates; see text; **Spell Resistance** yes

The subject becomes paralyzed and freezes in place. It is aware and breathes normally but cannot take any actions, even speech. Each round on its turn, the subject may attempt a new saving throw to end the effect. This is a full-round action that does not provoke attacks of opportunity. A winged creature who is paralyzed cannot flap its wings and falls. A swimmer can't swim and may drown.

Protection From Good

School abjuration [evil]; **Level** cleric 1, sorcerer/wizard 1

This spell functions like *protection from evil*, except that the deflection and resistance bonuses apply to attacks made by good creatures. The target receives a new saving throw against control by good creatures and good summoned creatures cannot touch the target.

Protection from Evil

School abjuration [good]; **Level** cleric 1, paladin 1, sorcerer/wizard 1

Casting Time 1 standard action

Components V, S, M/DF

Range touch

Target creature touched

Duration 1 min./level (D)

Saving Throw Will negates (harmless); **Spell Resistance** no; see text

This spell wards a creature from attacks by evil creatures, from mental control, and from summoned creatures. It creates a magical barrier around the subject at a distance of 1 foot. The barrier moves with the subject and has three major effects.

First, the subject gains a +2 deflection bonus to AC and a +2 resistance bonus on saves. Both these bonuses apply against attacks made or effects created by evil creatures.

Second, the subject immediately receives another saving throw (if one was allowed to begin with) against any spells or effects that possess or exercise mental control over the creature (including enchantment [charm] effects and enchantment [compulsion] effects such as charm person, command, and dominate person). This saving throw is made with a +2 morale bonus, using the same DC as

the original effect. If successful, such effects are suppressed for the duration of this spell. The effects resume when the duration of this spell expires. While under the effects of this spell, the target is immune to any new attempts to possess or exercise mental control over the target. This spell does not expel a controlling life force (such as a ghost or spellcaster using magic jar), but it does prevent them from controlling the target. This second effect only functions against spells and effects created by evil creatures or objects, subject to GM discretion.

Third, the spell prevents bodily contact by evil summoned creatures. This causes the natural weapon attacks of such creatures to fail and the creatures to recoil if such attacks require touching the warded creature. Summoned creatures that are not evil are immune to this effect. The protection against contact by summoned creatures ends if the warded creature makes an attack against or tries to force the barrier against the blocked creature. Spell resistance can allow a creature to overcome this protection and touch the warded creature.

Read Magic

Resistance

School abjuration; **Level** bard 0, cleric 0, druid 0, paladin 1, sorcerer/wizard 0

Casting Time 1 standard action

Components V, S, M/DF (a miniature cloak)

Range touch

Target creature touched

Duration 1 minute

Saving Throw Will negates (harmless); **Spell**

Resistance yes (harmless)

You imbue the subject with magical energy that protects it from harm, granting it a +1 resistance bonus on saves.

Resistance can be made permanent with a *permanency* spell.

Spiritual Weapon

School evocation [force]; **Level** cleric 2

Casting Time 1 standard action

Components V, S, DF

Range medium (100 ft. + 10 ft./level)

Effect magic weapon of force

Duration 1 round/level (D)

Saving Throw none; **Spell Resistance** yes

A weapon made of force appears and attacks foes at a distance, as you direct it,

dealing 1d8 force damage per hit, + 1 point per three caster levels (maximum +5 at 15th level). The weapon takes the shape of a weapon favored by your deity or a weapon with some spiritual significance or symbolism to you (see below) and has the same threat range and critical multipliers as a real weapon of its form. It strikes the opponent you designate, starting with one attack in the round the spell is cast and continuing each round thereafter on your turn. It uses your base attack bonus (possibly allowing it multiple attacks per round in subsequent rounds) plus your Wisdom modifier as its attack bonus. It strikes as a spell, not as a weapon, so for example, it can damage creatures that have damage reduction. As a force effect, it can strike incorporeal creatures without the reduction in damage associated with incorporeality. The weapon always strikes from your direction. It does not get a flanking bonus or help a combatant get one. Your feats or combat actions do not affect the weapon. If the weapon goes beyond the spell range, if it goes out of your sight, or if you are not directing it, the weapon returns to you and hovers.

Each round after the first, you can use a move action to redirect the weapon to a new target. If you do not, the weapon continues to attack the previous round's target. On any round that the weapon switches targets, it gets one attack. Subsequent rounds of attacking that target allow the weapon to make multiple attacks if your base attack bonus would allow it to. Even if the *spiritual weapon* is a ranged weapon, use the spell's range, not the weapon's normal range increment, and switching targets still is a move action.

A *spiritual weapon* cannot be attacked or harmed by physical attacks, but *dispel magic*, *disintegrate*, a *sphere of annihilation*, or a *rod of cancellation* affects it. A *spiritual weapon*'s AC against touch attacks is 12 (10 + size bonus for Tiny object).

If an attacked creature has spell resistance, you make a caster level check (1d20 + caster level) against that spell resistance the first time the *spiritual weapon* strikes it. If the weapon is successfully resisted, the spell is dispelled. If not, the weapon has its normal full effect on that creature for the duration of the spell.

The weapon that you get is often a force replica of your deity's own personal weapon. A cleric without a deity gets a weapon based on his alignment. A neutral cleric without a deity can create a *spiritual weapon* of any alignment,

provided he is acting at least generally in accord with that alignment at the time. The weapons associated with each alignment are as follows: chaos (battleaxe), evil (light flail), good (warhammer), law (longsword).

Touch of Idiocy (DC 15)

School enchantment (compulsion) [mind-affecting]; **Level** sorcerer/wizard 2

Casting Time 1 standard action

Components V, S

Range touch

Target living creature touched

Duration 10 min./level

Saving Throw no; **Spell Resistance** yes

With a touch, you reduce the target's mental faculties. Your successful melee touch attack applies a 1d6 penalty to the target's Intelligence, Wisdom, and Charisma scores.

This penalty can't reduce any of these scores below 1.

This spell's effect may make it impossible for the target to cast some or all of its spells, if the requisite ability score drops below the minimum required to cast spells of that level.
