

Axis's Planar Traits

Strongly Law-Aligned

Creatures who are not lawful- aligned take a –2 penalty on all Intelligence-, Wisdom-, and Charisma-based checks. This penalty stacks with the penalty for not being good.

Enhanced Magic

Spells and spell-like abilities with the lawful descriptor are enhanced. These spells function as if their caster level were 2 higher than normal.

Impeded Magic

Spells and spell-like abilities with the chaotic descriptor are impeded. To cast a spell with the chaotic descriptor, the caster must succeed at a concentration check (DC = 20 + the level of the spell). If the check fails, the spell does not function but is still lost as a prepared spell or spell slot. If the check succeeds, the spell functions normally.
