

Choose two benefits below (you can choose the same one twice):

- Recover one or more spells or spell slots whose total levels are equal to your character level.
 - Regain one daily use of a class feature. If you would normally be able to use the feature five or more times in one day, instead regain two uses.
 - Heal 1d2 points of damage to all ability scores.
 - Heal 1d8 hit points. Add your character level to the number of hit points recovered.
